

**MAKE WAY
FOR AMELIA
THE
BRAVE
SUFFRAGETTE
For KS2/3**

Amelia takes the children back in time 100 years, when life was very different for boy & girls/men & women. She explains why she became interested in the Women's Suffrage movement & encourages them to explore why many like her felt the same.

Imagine what it'd be like if women were allowed to do the same work as men?

What if they were even allowed to vote?!

Storytelling at its best! This experience can be tailor made to fit in with your own topic & Social, Moral & Cultural education topics such as rights, equality, fairness, justice.

A unique look at how times have changed and why. It will encourage discussion and enquiry.
