

WELCOME BACK!
**Autumn update from
Journeys for Learning**

Here we are at the start of the new academic year 2021, after another challenging calendar year. It was great to be able to support schools near & far during the lockdown period with films, zooms and activities. **In July it was brilliant to get out into schools again to deliver some exciting sessions: World War 2 & Ancient Mayan Civilisations/Rainforests & Amazon activity and dance.**

The diary is looking promising with bookings coming in for:

Florence Nightingale, Exploring Refugees, Black History Month—African culture inc. dance, Great Fire of London, World War 2, Edith Cavell.

Films: some schools are still asking for filmed Collective Worship and other programmes and these will continue to be available. Ask me about options.

Don't forget Advent & Christmas with our superb 'Journey to Bethlehem' that covers the important Agreed Syllabus for RE concepts: Incarnation, Holy Spirit, Trinity & what the festival means all round the world. **Booking NOW!**

DO TAKE A LOOK THROUGH THE WEBSITE LISTINGS TO SEE WHAT MIGHT APPEAL TO ALL YEAR GROUPS/COLLEAGUES (& do tell others about us!).
