Autumn Term 2022

Welcome back from 'Journeys for Learning'. I hope you had a great Summer break.

As always this will be a fast paced term with lots of exciting topics across the key stages, as is evident from the bookings I have received so far.

I still have a few dates available late October/ early November to bring alive *Diwali* in school with my drama and dance based programme for KS1 & 2. Email: janet@journeysforlearning.co.uk

Planning your Advent & Christmas work?

Get to the heart of the Agreed Syllabus unit with my 'Journey to Bethlehem'. The programme explores the symbolism of Advent and what the Incarnation message, which lies at the heart of Christmas, means to Christians worldwide.

Doing any of these History topics?

There's lots of fun learning to be had with a half or full day programme.

E: janet@journeysforlearning.co.uk

Schools loved these drama, story, dance and artefacts based sessions last year and it is great to be getting repeat bookings. I often repeat to multiple classes in one day visit. Do get in touch if you are interested. **SEE PAGE 2... for more news.**

I enjoyed delivering **Life in WW2** last year in Norfolk and in Nottinghamshire. This programme worked well in both KS1 & 2. I had not done it for year 1 before but with some alterations to content it worked really well. It is fast paced and interactive so that the children get involved with what it would have been like to be growing up during the war. We dance and sing too!

Delivering **'Faiths round the World'** days in different ways worked well last year. In a village CE school setting it was explored across the whole school with Collective Worship to start and a finale reflection time together.

I also homed in on it in a different way for a large year 5 group.

A school asked for a bespoke session about Suffragettes and this was fun to bring alive. There are interesting local stories about women who showed great commitment to the cause in Norfolk.

I am excited about working with a school again on my **Prehistoric Adventure** soon. I have some large fossil digging sand trays and lots of factual stories. Many like to focus on Mary Anning and this can also be drawn into the session. Pangea is also covered if appropriate.

Creative RE is high on the agenda too and I continue to sit on Norfolk SACRE. If you would like to explore some bespoke CPD training do get in touch.

Do check out the full range of RE programmes on the website:

journeysforlearning.co.uk and remember, I am always eager to create bespoke sessions to suit your requirements.

You can call me on 07824 902860.

Wishing you a happy and covid free term!

Best wishes, Janet.
